The most relevant option for students looking for a place to live is the listings page. The most recent listings will be showcased on this page. Click each listing to see more information such as pricing, location, and photos to help you make your choice. You'll also see details on how to reach the landlord and how to proceed if you are interested. Always be sure to view the listing to make sure all the details posted are correct and to get a better sense of what the accommodation looks like in person.
